Economic Recovery Town Hall in Scottsbluff

Nebraska Department of Economic Development to Host Economic Recovery Town Halls across Nebraska

The Nebraska Department of Economic Development (DED) will host a series of Town Halls across the State of Nebraska. The purpose is to discuss LB1024 (also known as the Economic Recovery Act), its programs, and the needs of the State's 11 Qualified Census Tracts (QCTs), as determined by Title 26 of the United States Code.

DED leadership and others will give remarks and take questions. The Town Halls are open to the public.
