Dear Mayor and City Council,

After a thirty-year relationship with the City of Terrytown I have come to the decision it is time to retire. I have enjoyed our long-standing relationship and wish you the best in the future. I will prepare the audit workpapers for the 2021-2022 audit year, but I will retire on December 31, 2022.

Thank you for giving me the opportunity to work with you and your city staff all these years.

Sincerely,

Judy Hoatson, CPA
