

Nebraska Rural Water Association
NOTICE OF ANNUAL MEMBERSHIP

RENEWAL DUE BY: _____ **March 1, 2023** _____

Membership to the **Nebraska Rural Water Association** for the upcoming year is due. The information on this form is used for our mail database and also for phone contacts. If payment is not received within three months, the membership will be considered inactive and removed from our database.

ORIGINAL FORM – NeRWA’S:

FILL OUT COMPLETELY
RETURN TO NeRWA
DO NOT STAPLE

COPY OF FORM – YOURS:

KEEP FOR YOUR USE
DO NOT SEND TO NeRWA

Mailings are sent to the water operator and clerk at the utility address on this form. If you would like your mail sent to another address, such as a home address, please note that on the form.

Explanation of Voting Delegate:

Each utility member under 10,000 can have one delegate and one alternate delegate. The delegate will vote at each annual meeting which is held at the conference in March. Each utility is entitled to one vote. Matters such as changes in by-laws and the election of NeRWA board members shall be decided by a majority vote of the delegates present at this meeting. The delegate can be anyone appointed by the system. Most systems appoint the water operator or someone who most often attends the annual conference in March. If the delegate cannot attend, then the alternate will vote.

Donations:

NeRWA appreciates any donations received from members to offset the cost of purchasing and maintaining the field equipment used to assist in serving water systems across the state. This equipment is used for on-site technical assistance. Some of our items can be loaned to the system for their use. All of our assistance and use of the equipment is done at “no charge” to any water system. Our field staff will also help in filling out sanitary surveys, consumer confidence reports, emergency plans, and any other reports required for operating a water system.

Water and wastewater equipment:

Temp & pH meters	Sludge judge	Leak detectors
AWWA Standards/CDrom	Microscope	Pressure relief valves
Valve box locators	TV camera	Certified backflow test equipment
Chlorine residual testers	Sewer smoker	Backflow test benches
Chlorinators	Flow meter	Leak correlator
Well sounders	PH meter	Leak data loggers
Pressure gauges	Hydrant flow meters	Nitrate testers
Pressure recorders	Line locators	Pipe freezer
Handheld GPS units	Groundwater models	
Valve exerciser		

******Please use a separate check for donations if possible. Thanks!******
