TERRYTOWN COMMUNICATOR

Welcome to the Terrytown Communicator. The purpose of this publication is to keep you up to date on events and decisions that effect your city.

This publication is provided as a public service by the City of Terrytown. You can contact the City Office at 632-7212.

UPDATE ON CITY WATER PROJECT

Phase I of the Terrytown Water Project will begin on August 15th with construction commencing at the corner of Country Club Road and Five Rocks Road. We ask that citizens drive with caution while entering and exiting the construction zone.

With the current long hot summer days, we ask that everyone be aware of their water usage and avoid excess watering of lawns and landscaped areas during the heat of the day. Most vegetation only needs water 3-4 times a week for 30 minutes or less depending on the size and variety of vegetation. Thanks for your conservation efforts during these hot days.

Jeff Wolfe, City Engineer
