

Please find enclosed our response times for 2024-2026. I would like to remind everyone that our fire district does cover 280 square miles. While this does include Terrytown, it also includes 16 miles North into Sioux County. We do also utilize Mutual Aide, which could request us to go to Crawford, Banner County, Bridgeport, Etc. These longer trips can make our average response time a bit longer, depending on the year.

Please also find enclosed a call list for 2025. This will show that out of 233 calls 48 were responses to Terrytown.

Please let me know if you have any questions.
